Two Popular Services... Doubling Your Profit Potential!

LOOK AT ALL THESE STANDARD FEATURES

(More features on back)

- Dual-purpose solution eliminates the need for separate shampoo and spot remover. Lowers your overhead and streamlines your product refill schedule.
- Mars Bill Validator gives customers the convenience of using bills in the machine. Lowers your lot foot-traffic and increases your revenues.
- Service selection buttons let customers easily switch between Vacuum, Shampoo and Spot Remover modes. Reduces customer confusion and offers greater value.
- Intelligent dual display timer allows use of both services during one cycle automatically tracking the elapsed time for each service. "Last Coin Alert" encourages customers to extend the cycle by depositing additional funds. Enhanced revenue potential on each and every vend!
- Incredible Merchandising Power—Dazzling graphics, illuminated dome, colored hose and scrolling visual display grabs attention to draw customers day and night. Customize your units to compliment and enhance your property.
